

Testimony of

Elizabeth Bagot

Simsbury Educator

Before the

Education Committee

March 15, 2023

Good afternoon, Senator McCrory, Representative Currey, Senator Berthel, Representative McCarty, and members of the Education Committee.

I testify today in support of House Bill 6884. This bill takes important steps toward addressing the educator shortage in Connecticut, showing educators that theirs is a respected profession, and ensuring that our classrooms and schools can provide the best possible education for our students.

The state of education in CT is in crisis. Action is needed now! Please support the educators by using your voice to support much needed change!

Thank you for your time and consideration.
